PLANNED GIVING – Tax-deductible gifts to the school can be a part of your financial planning and an important part of the School's future. For example, a gift of life insurance permits you to deduct premiums against current income. A gift of appreciated stock can offset capital gains. A bequest in your will or the creation of charitable trusts can help SPA-AA reach goals and create valuable tax-savings for you.

IN-KIND GIFTS – Donations of goods, materials and services are also a welcome source of support for the School. From office supplies to graphic design to musical instruments, we willingly accept those things which will benefit the school but may just be taking up space at your home or office. Specific donated services also help us keep our expenses in line. If you or your business have goods or services you feel will fill a need at the school, please call and let us know. We are also happy to provide you with a list of our needs.

Would you like to learn more? Please call Christina McMullen, Director of Development (995-7480) to discuss your goals.

Yes!
